Edna Bowers, Tempe, first 52.4-5 words.

Ed Berkenkamp, Tempe, second, 47.1 words.

In shorthand which came next there was dictation at 101 words a minute to advanced students for 3 minutes.

This was won as follows:

Margaret Apple, Tempe 1st, 101 words per minute, 1 mistake.

Ophelia Celaya, Tempe, 2nd, 97 words per minute, 13 mistakes.

Elsie Smith, 3rd, 95 1/2 words per minute, 15 mistakes.

Roy Richards, 76 words per minute, no mistakes.

Pearl Bowers, 75 1/2 words per minute, 1 mistake.

Edna Bowers, 75 words per minute, 2 mistakes.

In accuracy in shorthand Roy Richards made a record with no mistakes and was given a fountain pen presented by the Bishop News Co., of Phoenix to the one writing the most accurately in shorthand.

The final shorthand score was Tempe high school 36, Phoenix high school 7.

For the shorthand winners a handsome cup was given by the McNell Co. of Phoenix. This was won by Tempe high school.

After the other events, a contest was given open to anyone in Arizona typewriting. A beautiful cup was for the championship of the state in offered by the Phoenix high school for the person who won this and with it went the individual championship of Arizona. Miss Margaret Apple of Tempe high school won this with a rate of 69.4 words per minute on 10 minutes copy.

Many interesting songs were given by the Phoenix high school quartet and their orchestra played several selections. There was a song by some young ladies of Tempe high school and an oration by Julius Goodwin of Tempe and a recitation by Miss Edna Jenkins the winner of the interscholastic medal a few weeks ago.

The final score was: Tempe high school, 97; Phoenix high school, 23.

TO ATTEND FUNERAL.

Miss Juanita Painter came down from Florence Thursday evening to be at the funeral of her brother-in-law Chris Jacobsen.

T. H. S. IN PHOENIX TODAY.

The ball team of the Tempe high school will play the Phoenix high school today at that place on the Indian school grounds. If the local boys should go down to defeat the two schools will be tied for last place on the Valley league, so a good deal of interest hinges on the game. Although these two teams are at the end of the list they play an exceptionally fine game, the last one between the two resulting in a score of two to nothing in favor of Tempe.

CARD OF THANKS.

I wish to express the thanks of my family and self to the Phoenix Sisters, the Uniform Rank, and all the kind friends for their many favors to us during the illness and death of our beloved one.

MESA

OLD FOLKS REUNION WAS HELD YESTERDAY

In Spite of the Inclement Weather Function at Mesa was Attended by Large Crowd.

In spite of the rainy weather yesterday the old folks thoroughly enjoyed the entertainment given them by the old folks' committee of the Mormon church. Services started at twelve o'clock in the K. of P. hall by the singing of America by the assembled multitude. The crowning of the king and queen by Miss Mahel Rogers followed. W. D. Avery was chosen king and Mrs. Ruth M. Bowling was chosen queen. Governor Geo. W. P. Hunt was unable to be present on account of the weather and sent as his substitute Wm. C. Pace, state senator, who congratulated the old folks on the uniqueness of the celebration. Miss Anne Brizzee who is one of the oldest residents of Mesa, delighted the audience by singing Annie Laurie. O. S. Stapley made a few remarks after which they adjourned to the Mesa opera house where a sumptuous banquet had been prepared. Rev. David Roberts of the Methodist church asked the blessing. The first tables were reserved for the old people and the younger ones were seated at the second.

Don't be surprised if you have an attack of rheumatism this spring. Just rub the affected parts freely with Chamberlain's Liniment and it will soon disappear. Sold by all druggists.

FUNERAL YESTERDAY.

The funeral of the infant son of Mr. and Mrs. Jos. Hastings, occurred yesterday afternoon from their residence, Rev. Bishop Hunsaker officiating. Interment was in the Mesa cemetery.

WENT TO MINNEAPOLIS.

W. D. King left for his home in Minneapolis Thursday. He intends selling out his drug business in that city and will engage in the agricultural business with his son in the Salt River valley.

HAD AN ACCIDENT.

L. W. Stillwell met with an accident at Desert Wells Thursday, his magneto taking a notion to blow up, necessitating a call on the Hemperly garage to propel his auto back to Mesa. Mr. Stillwell is building a new garage for his car which, when completed, will keep the rainy weather out of its vital machinery and insure better running in the future.

CITY HALL COMPLETED.

Architect Creighton of Phoenix will be in Mesa today to make final inspection of the city hall. If everything is fine and satisfactory the building will be accepted by the board of supervisors and the town council.

HAVE NEW SON.

Mr. and Mrs. L. W. Rorex of Gilbert are the proud parents of a son, born Thursday.

WENT TO ST. LOUIS.

Mr. F. C. Botkin left yesterday morning for St. Louis on business.

RETURNS HOME.

Rastus LeBaron who has been in Thatcher for some time returned to Mesa yesterday.

COMUS CLUB.

The Comus club will present a pretty sentimental comedy entitled

"The Little House," next Tuesday evening, April 16. The play will be presented for the benefit of the Mesa library association. On account of changing the location of the library the association has been put to considerable expense and the play is being given to help defray this expense. The Comus club needs no introduction as it has appeared before the public a number of times and all the members of the cast are numbered among the stars.

THINNING OUT TREES.

The landscape artist brought in by Dr. Chandler had a gang of men at work taking up some of the large pepper trees on both sides of Pepper Lane from McDonald street to the Episcopal church. They are taking out only every other tree and as the remaining ones are of good size the lane will not look at all barren. The trees are to be taken down to the public square at Chandler where they will be a valuable addition. It is rather late in the season to transplant such large trees but the necessity for them at Chandler is so great that the builders of the new town feel justified in taking the chance on the pepper trees.

BOX WAS STOLEN.

One of the most unscrupulous acts reported in Mesa in a good many days was the stealing of a box from S. Stapley store in which had been placed a can thought to be six or seven dollars for the assistance of the committees trying to entertain the old folks of this community. The entertainment of the old folks cost considerable money and the boxes were placed around in the several stores so that anyone who felt so disposed might drop coins in the boxes to assist in defraying the expenses. The money was not guarded, for it was considered that no one who understood the use for which it was being collected, would presume to appropriate it to his own use. The stealing of money from the blind or the burglarizing of the contribution box, or appropriating the money found in the purse of the unknown dead is in a class with the vandalism perpetrated when the box was taken from the Stapley store.

NEW STYLE BRIDGES.

Throughout the country to the south and west of Mesa the country is installing corrugated galvanized culvert which is believed will be a feature in future road building and especially in solving the problem for the laterals coverings through water passed under the highway. The corrugated iron, in cylindrical shape with a diameter of about two feet and varying in length from twenty feet to sixteen feet is placed in the lateral crossing the roadway and covered over with about six or eight inches of gravel or dirt. The strength of the culvert has been tested out with a four horse team drawing a yard and a half of gravel and sand without the least showing of strain upon the iron. Heretofore the wooden culverts have been a constant source of annoyance to the road overseers and especially to everyone who has to travel over the road from the fact that they were continually decaying and requiring new timbers at frequent intervals. The new culvert being galvanized will be able to allow the water to pass through it without either rust or decay resulting.

NEW STORE BUILDING.

The plans are being drawn for the erection of a brick building one story in height with basement 41x153 feet in depth, on the tract of ground immediately west of the Lousue & Co. store by that firm. The plans are being drawn by Roy W. Leecher and the structure is to be completed by about September 1.

SICK DAUGHTER NOW WELL

Mrs. C. Cole Tells How Her Daughter Was Restored to Health by Lydia E. Pinkham's Compound.

Fitchville, Ohio. "I take great pleasure in writing to thank you for what your medicine has done for my daughter.

Before taking your medicine she was all run down, suffered from pain in her side, could not walk but a short distance at a time, and had severe pains in head and limbs. She came very near having nervous prostration. She had begun to cough a good deal and seemed melancholy by spells. She tried two doctors but got little help.

"I cannot find words to express my gratefulness for what Lydia E. Pinkham's Vegetable Compound has done for my daughter. She feels and looks like another girl since taking it, and I shall always feel that I owe you a great debt.

"You can use this letter for the benefit of others if you wish, as I shall always recommend your medicines for female troubles."—Mrs. C. COLE, Fitchville, Ohio.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

HOSTETTER'S STOMACH BITTERS

does the work. Try it today.

For the past several months the erection of the building has been contemplated. The increase in the dry goods and grocery department has forced the firm to seek for larger quarters.

The structure is to be of brick above the ground with a fancy brick and glass front with an approximate cost of \$10,000. The new building will be occupied exclusively by the grocery department. The erection of the new building utilizes all the space in the south side of Main street in the block between the Mesa City Bank and Hibbert stables.

NEWS NOTES.

Mr. and Mrs. Newell Bullin, after getting a taste of Arizona climate, have decided to go to Eliah, sell out their holdings there and return to Mesa. Mr. and Mrs. Bullin have been here for the past three months visiting Mrs. Bullin's sister, Mrs. C. F. Standage.

Bud Norton, the proprietor of the Mesa-Roosevelt stage line yesterday donated his big automobile to the old folks' committee to assist in getting the guests to and from the banquet.

E. M. Cosper is unable to be out. He was taken down with an attack of the grip and is now suffering with a serious case of earache.

Rastus LeBaron returned yesterday from Thatcher where he has been for the past week visiting friends.

The Vance Bakery is being remodeled, adding much to the attractiveness of the place.

UNI. 2; NORMAL, 1.

Tucson Boys Climb a Little Closer Towards Top of Championship Ladder.

In a fast game at Tempe yesterday the state university team climbed a little closer to the state championship by defeating the normal team 2 to 1. The batteries were J. Spikes and Dean for the normal, and Halbert and Hurley for the university.

The university won the game in the first inning by bringing in two runs. After that the normal team closed the path to the home plate. The normal's single run was made in the sixth. It looked as if Tempe was going to win the game or at least tie up the score, with one out and the bases full in the eighth, but the university shut them out without a run to add to their hard-earned single.

PENNSYLVANIA ENTERTAINS.

The following poem with the caption given above by Mr. Andrew Downing was read by the author at the outing of the Pennsylvania club yesterday afternoon:

A revered, Colonial matron,
Proud and dignified, awaits
To extend a gracious greeting
To the stierhood of states.

She has summoned them to welcome
Two attractive debutantes
Who have merited the favor—
Naught their pleasure can enhance.

One, New Mexico, the sunny
How her golden tresses shine—
And the other, Arizona,
Who received a valentine.

'Tis a high grade fashion-function—
Everything in splendor dressed—
And to furnish entertainment
That will please each honored guest,
Pennsylvania, the hostess.

Will some moving pictures show,
Telling much of all her story
From the days of long ago,
In the green depths of a forest,
Grouped beneath an aged tree,
Spreading wide its branches o'er them
Indian warriors we see—
Chiefs, attired in tribal costume,
Met for council, not for fight,
While a gentle, pale-faced Quaker
Speaks of justice, peace and right.
Countless scenes of strife and carnage
Ne'er had grieved his countrymen,
Had they truly learned the lesson.
Taught that day by William Penn.
Next, Ben Franklin's kite is soaring
In a storm above the crowd,
Lost in wonder they behold him
Draw the lightning from the cloud.
Then George Washington, the youth-
ful, leads the troops in safe retreat
From the field where General Brad-
dock—
Met his death and sore defeat,
Ne'er before more sturdy patriots
Met upon this earthly ball,
Than the men who are assembled
In old Independence Hall.
Now they sign that grand, immortal
Declaration of the Free.
Our great nation's sure foundation—
Charter of her Liberty.
Meek the scene in depths of winter,
Washington at Valley Forge
Fights a foeman more inveterate
Than the Red Coats of King
George;
Soldiers starving, freezing, dying,
Suffering whelms them as a flood;
In the snow no march is taken
But the steps are marked by blood.
Then the stern reverse of battle
Smites them all along the line—
Many skirmishes disastrous,
As the one at Brandywine,
Lovely valley of Wyoming,
Famed in story and in song,
Tories and their Indian allies
Wreak on thee a bloody wrong;
'Tis a massacre appalling—
Cries for mercy naught avail,
Ere the flames wrap every dwelling,
Few survive to tell the tale.
In the great war, Pennsylvania
Helps to bear the battles' brunt,
Sends one third a million soldiers,
Proudly marching to the front.
